You may have Irritable Bowel Syndrome (IBS)

If so, you are not alone. 1 in 6 Americans have it.

Introducing IBgard®, a new medical food for the dietary management of IBS that starts working in 24 hours.*

IBgard® uses advanced Site Specific Targeting (SST®) technology to deliver peppermint oil quickly and reliably where it’s needed most ... in the small intestine.

Ask your doctor about new, nonprescription IBgard®

IBgard® is now available in the digestive aisle at CVS/pharmacy® and Walgreens

IBgard® Calms the Angry Gut®*

*Savings: Based on a randomized placebo controlled study in 72 IBS patients. Patients taking IBgard experienced a statistically significant reduction versus placebo in the total IBS symptoms score, including abdominal pain and discomfort, at 24 hours and at 4 weeks.

Results may vary. Medical foods do not require preapproval by the FDA but must comply with regulations. Use under medical supervision. The company will strive to keep information current and consistent, but may not be able to do so at any specific time.
